## WHAT ARE PEOPLE SAYING?

**Tom Rugh**  
Marketing Director  
Boy Scouts of America

"This is exactly the kind of thing my team needs! We could use all the help we can get when it comes to a single source of truth for our marketing calendar. Breezey's calendar is so user-friendly & collaborative. I see it being a game-changer for us!"

## The Breezey Way!

Marketing should be a fun and collaborative effort! The problem is everyone has their own calendar, no one knows who is doing what, and deliverables get stuck in a review process buried in your inbox.

We know you are the kind of marketing leader that wants to be ahead of the curve, on-time, and deliver quality campaigns with results. In order to be that way, you need to get your team on the same page & simplify the marketing process. We also understand that Salesforce is a big investment and we want to help you get the most out of it. That is why we created Breezey. Our years of experience in Salesforce and marketing helped us forge together an app that will make managing a marketing campaign a walk in the park.
